San Carlos-Belmont Dial Service Starts

Dial telephone service started for San Carlos and Belmont telephone users Sunday.

At that time, new telephone numbers, including the central office name LYtell 3, became effective for the 6000 telephones in the two communities, according to E. C. Kruse, telephone company manager.

The cutover to dial service in San Carlos and Belmont places all Peninsula telephones on a dial basis, Kruse said.

Beginning with the change, Emerson 6 and Emerson 8 telephone users with extended service and those with one and two party service will be able to dial the new LYtell 3 numbers direct. Kruse reminded

2 Policemen At RC Promoted

Acting Lt. E. G. Fogarty and Patrolman W. L. Faulstich have been appointed to the positions of lieutenants of police, according to Redwood City Police Chief S. D. Wood.

The appointments came after the policemen had completed competitive examinations for the position. Wood added, four members of the department, veterans of at least five years service with the force, had taken the examinations.

Lieutenant Fogarty has been acting lieutenant since October. Before that he had been a sergeant on the force for five years and had been a member of the department for 19.

He is married, has three children, and lives at 147 Birch St.

Lieutenant Faulstich is a comparatively new member of the force, joining the department in January, 1943. He was born and raised in Redwood City and is a graduate of Se-1935. He lives at 265 Roosevelt Ave.

Before joining the police department he worked for Schwabacher-Frey in San Francisco.

Chief Wood said Lieutenant Fogarty would take over the "line duties" of the department and will act as supervisor of all units except the traffic, juvenile and accident departments.

Lieutenant Faulstich will be officer in charge of the traffic accident prevention bureau, the juvenile detail and the general traffic detail.

Chief Wood said he was "well pleased" with the selection of the two officers.

"I feel sure that the men selected under the examination are the two most capable men," Wood added.

The Redwood City police chief also recently announced the promotion of S. E. Douglas to the position of captain of police.

Examinations for sergeant of police are still to be scheduled, according to Richard Miller, city administrative assistant.

Helen De Beers Assn., OES, Elects Officers

Officers for the coming year were elected when the Helen De Beers Assn. of the San Mateo and Santa Clara Counties, Order of the Eastern Star, met at the Little Village Inn in Los Gatos earlier this month.

Elected were Priscilla Wallace, Willow Glen Chapter, San Jose, president; Nan Campbell, Mira Monte Chapter, Mountain View, vice president; Helen Harper, Sequoia Chapter, Redwood City, secretary; and Selma Anderson, San Carlos Chapter, treasurer.

The next meeting in December will be held with the grand officers of the association for instruction for the coming year.

SC Community Church Plans Bazaar on Saturday

Plans are completed for the San Carlos Community Church Bazaar to be held tomorrow from 2 to 10 p.m. at Cherington and Junior Halls of the church.

Under the general chairmanship of Mrs. R. B. McArthur, the guild, of which Mrs. James Blamey is president, will have for sale aprons, stuffed dolls, baked goods, Christmas cards, home made candy, tea and cake, good used clothing, white ele-

phone users to obtain the new numbers from the new San Mateo County telephone directory before calling.

Equipment in the new LYtell 3 office will permit San Carlos and Belmont customers with one and two party service to dial out-of-town calls direct to 817,000 telephones in Bay Area exchanges.

New telephone numbers to remember with dial change-over:

San Carlos Fire Dept.: For business LY 3-3727. For fire only LY 3-2244.

San Carlos Police Dept.: For all calls LY 3-3144.

San Carlos City Hall: LY 3-2177.

Belmont Fire Dept.: For business LY 3-6242. For fire only LY 3-2334.

Belmont City Hall: LY 3-2163.

Belmont Police Dept.: For all calls LY 3-2121.

serving Richmond, Oakland, Berkeley, Hayward, San Francisco, South San Francisco, San Bruno, Loma Park, Millbrae, Burlingame, San Mateo, Redwood City, Woodside, Atherton, Menlo Park, Palo Alto, Los Altos and Mountain View. This equipment for dialing out-of-town numbers is similar to that which was placed in service in the Redwood City office during the Summer of 1948.

Conversion to dial operation of the San Carlos-Belmont exchange has required two years of intensive work, including construction of a new telephone building at 537 Laurel St., San Carlos, installation of new central office equipment, and of dial telephones throughout the exchange.

125 Workmen to Graduate In Apprentice Rites Tonight

Dr. Robert Burns, president of the College of the Pacific at Stockton, will be the principal speaker at San Mateo County's second annual apprentice graduation exercises tonight at Burlingame High School Auditorium.

Some 125 skilled workmen will be added to the county's labor

force by the graduation, according to the Master Joint Apprenticeship Council.

The council announced that Dr. Burns will speak on "Operations Teamwork."

Other speakers will include C. J. Hagerity, secretary of the AFL State Federation of Labor; Farmer Fuller III of Hillsborough, personnel director, W. P. Fuller Co., and Charles Morris, president of San Mateo Junior College.

The graduates will have com-

pleted four years of training, including on-the-job training and night school classes in their field.

The training program is sponsored by the Master Joint Apprenticeship Council, composed of both management and labor.

The invocation will be given by the Rev. Francis Foote of Burlingame.

Propose Fiesta Bldg. For Boxing

The San Mateo County Fair Assn. today suggested to the board of supervisors that the Fiesta Bldg. be made available for boxing and wrestling, under the control of veterans' organizations.

The suggestion was made in a letter to the board from Floyd B. Tower, president of the fair association.

Chmn. Henry W. Edmonds of the board of supervisors asked County Clerk William H. Augustus to check with other counties to determine whether their fair buildings are used for such purposes.

"It appears inevitable that within a reasonable length of time such a concession or contract should be entered into with some individual, firm or group," Tower wrote, after stating his association has received a number of requests.

Tower suggested that a boxing and wrestling franchise be given to a duly-constituted veterans' committee representing all chartered and recognized veterans' organizations in the county.

"We feel this would be a practical solution to what could become a rather provoking subject," Tower continued. "Tradition doesn't necessarily become a criterion for our procedure, but in most areas where public facilities are available, sports events, especially boxing and wrestling, are under the supervision and guidance of veterans' groups."

The board at its Dec. 6 meeting will debate what action to take on Tower's proposal.

'EXPLORES' DIAL — Mrs. Gene Schaldach of San Carlos experiments with the new dial system which went into effect in San Carlos and Belmont this week. There are 6000 telephones in the two communities. The central office name is LYtell 3. The system was installed at a cost of \$900,000.

Belmont Council Delays Vote On El Camino Parking Plan

Action on the long-proposed Belmont barriers for El Camino Real was delayed once again this week at the regular meeting of the city council, though a letter calling for clarification of the state's stand was authorized.

The council heard Atty. Patrick Kearns speak on behalf of the merchant committee headed by E. O. Bondeson. Kearns stated

that he felt sure the state would maintain the posts once they were set up.

Kearns pointed out that the state originally directed that parking on El Camino Real in Belmont must be parallel. It then directed the city to make its own arrangements for a barrier, Kearns stated.

Kearns based his belief that the state must maintain the barrier because of its original claim of jurisdiction.

The merchants, he said, are willing to install the barriers at their own expense, but object to insistence by the city that repairs and replacements come out of their pockets, too.

City Atty. Paul A. McCarthy was directed to write the state asking for an extension of the Dec. 1 deadline. The letter will also ask whether the state will maintain the posts once they are in.

The letter will ask that because of the urgency of the matter, the deadline be extended to Jan. 3.

Lindholm Quits Post; Lyll Named Acting Belmont Police Chief

Belmont's topsy-turvy police chief setup took a new turn this week when the city council accepted the resignation of Chief O. Walter Lindholm and almost immediately announced appointment of Sgt. James W. Lyll as acting chief.

The action was taken while an overflow crowd, including several persons outside the council chambers, looked on with mixed reaction.

Lindholm's one-sentence letter was read by Police Cmsr. Lyle Jones.

"I wish to submit my resignation as chief of police of Belmont, California, for personal reasons."

The letter was dated Nov. 26, Jones said, and was delivered personally to him.

Because of accrued leave and overtime, Lindholm will remain on the city payroll until Jan. 1, the council stated, though Lyll's appointment will take effect immediately.

Selection of Lyll to replace Lindholm was based in part on his seniority, Jones said. He has been with the department "a little less than three years," the police commissioner said.

The resignation of Lindholm was the third by a police chief within the past 30 months. Others who left their posts were Fred Johnson and Stanley Botto.

Lyll, who served with the navy during World War II, commanded a Seabee detachment and previously was employed in an executive position with American President Lines.

In a prepared statement handed to members of the press before the meeting, Commissioner Jones stated that "Mr. Lindholm's resignation has been under consideration for some time."

The announcement emphasized that the chief's resignation "is in no way connected with the petition being circulated opposing the return of the department manpower to normal budgetary level."

The petition, signed by 167 Belmont residents, charged that Redwood City, San Carlos and Burlingame "are ...

employing more men at this time." It also claimed that the FBI recommends an officer to every 500 residents, adding that Belmont's population is now about 5000.

The petition was circulated by Hugh T. Pickett, a part-time butcher, who attended the meeting last night.

Several residents attempted to get an explanation from the council members of Lindholm's "personal reasons." The council, however, said Lindholm was free to speak if he wished to do so.

Lindholm, who was one of a score of standees, did not clarify his reasons before the assembly. After the discussion, however, he said there was "a little pressure" on him to quit.

Asked by friends why he did not "stand up and tell 'em the real reason," Lindholm countered by asking "What good would it do?"

Some well-wishers said they would follow Mayor Bayley Kohlmeier's comment that, "If the people haven't the confidence in the council, they have ways and means of taking action to correct it."

Cries of "wait until April" were brushed off by Lindholm, who said "by that time I'll be gone." He said he would probably attempt to sell his home here, but still had no definite plans for the future.

He had been with the San Francisco police force and served as a sergeant at Walnut Creek before accepting the post vacated under pressure by ex-Chief Botto in July, 1948.

The council also heard an opinion from the attorney general's office that Acting Chief Lyll should be paid by the city for time off while on duty with the naval reserve.

Set Lyll's salary in his new job at \$350 per month, \$25 less than that paid Lindholm.

Approved retention of Officers William Smith and George Dipalo as temporary members of the department until further notice. Also voted to appoint a temporary replacement to fill Lyll's position as sergeant.

San Jose Bulldogs Dominate 1949 All-P.A.L. Roster

Bulldogs' Wichert "Player of Year"

Seven Sequoians Take Honors, Connie Condos Named as Tops

Seven Sequoia High School grid stars grabbed berths on this year's All-Peninsula Athletic League roster with Connie Condos, the Cherokee's rugged guard, gaining the first string spot. Along with Condos, Bruce Schott who played on the other side of the line at the guard position, was named to the second string spot while Floyd Bumbaca, fullback, also took second string honors. Tackle Dave Blackmer, Center Bill Hagemeyer, and Backs John Crawford and Emmitt Porter were all named on the honorable mention list. Condos, Schott, Blackmer and Hagemeyer were standouts in the Cherokee line while Crawford, Bumbaca and Porter piled up yardage for the Sequoians. Cherokee Coach Al Terrence tabbed Condos and Schott as two of the finest guards in the P.A.L. and declared there couldn't be an All-P.A.L. roster if his two boys were admitted from the lineup.

San Jose High School's Bulldogs, undefeated 1949 champions in the P.A.L., led in the All-P.A.L. first team selections. Palo Alto and Lincoln placed two each, and Jefferson, Sequoia, South San Francisco and Burlingame High Schools each placed a player.

The team was selected from recommendations made by the eight P.A.L. coaches and by sportswriters of six Peninsula newspapers.

Bud Wichert, San Jose's senior left end, was named "player of the year" by the writers. Wichert, who stands 5 foot 10 and weighs 175 pounds, was an outstanding player on both offense and defense.

He carried two touchdown passes into the end zone for the Bulldogs and his toe added nine more points on conversions. Wichert is considered an outstanding college prospect.

Teaming at the end position with Wichert is Merle Flattley of Palo Alto, a junior who stands 6-4. Flattley was an all-around offensive threat and a defensive player. He punted, caught 24 passes for 262 yards and four touchdowns, completed seven

passes including one touchdown toss, and was always a threat at running the flanks on end-arounds.

Burlingame's Fred Degan, South San Francisco's defensive end, John Petroff, and Jefferson's Leroy Gonzales were other top candidates.

Frank Druhan of Jefferson and Barry Brown of San Jose, a pair of big and agile seniors who played top ball, both on offense and defense, won the tackle spots. Druhan weighs 210 and was considered the backbone of the Jefferson line by his coach Glen (Cookie) South.

Brown and his running mates, Stan Lemke and Dennis Biolar, gave San Jose a fearsome defensive wall, and blasted holes for the Bulldog T attack.

Ron Lera of Burlingame and Dave Blackmer of Sequoia were also high in the running.

Best in the crop of good guards were Sam Balestieri, a standout on the South San Francisco team, and Sequoia's fine pair, Connie Condos and Bruce Schott. Condos and

Schott were the core of the Cherokee line which opponents preferred to run around instead of through.

Ernie Ferrari of Burlingame won the nod for the other second-string spot over five other high-caliber guards.

Three centers, Jim Morton of Lincoln, Ron Gile of San Mateo and Bob McDowell of Palo Alto, were rated almost even. Morton, a 222-pounder who pivoted a strong Lincoln wall, just edged Gile, an all-around lineman on a cellar team, and McDowell, a beefy junior who played guard on defense and specialized in recovering fumbles.

The All-P.A.L. backfield turned out to be a natural, especially for the T formation offense. It includes a top quarterback, two halfbacks and a fullback, named practically in position.

All four are speedy, hard-hitting runners, all pass, and all are standout defensive players.

Heading the backs is Johnny Leal, the quarterback who piloted the San Jose team to its first undefeated season since 1936. The 5 foot 7-inch, 165-pounder is a senior whose punting, passing, play-calling and handoff work to a flock of fleet backs made the Bulldog offense click. He scored 12 points for the 1949 P.A.L. champs.

Leal's inspirational leadership was another important factor for San Jose. In the final game with Lincoln, he rallied the team in the last three minutes of play and engineered and scored the touchdown that pulled the traditional battle out of the fire.

At one halfback is Johnny Bettencourt, Palo Alto's pride and joy. Bettencourt tied for the league scoring record in 1949 with 11 touchdowns, seven of them on long-runners which went from 18 to 20 yards.

His broken field running after knifing through the line, on

kick returns, and on pass catches was worth better than 190 yards per game to the Vikings.

He completed a high percentage of his tosses and was a sure tackler on defense. Bettencourt at only 157-pounds, played all but about 15 minutes of the season's games.

Jimmy Unger, Lincoln's 149-pounder, took the other half-back post over Don Lungbi of Jefferson. Both backs are small, quick seatbacks who played the opposition with sweeps and line slants all year.

Unger, who scored 42 points, made first string for having a slight edge on defense.

He also is a little more versatile and an expert short pass receiver.

Some consider him the best defensive halfback in the loop. Coach Lee Cox of Lincoln rates Unger as the finest back he has coached at the school.

Lungbi, a second string All-P.A.L. selection last year, was the mainstay of the Jefferson offense as he has been for the past two years.

Bob Hamilton of Burlingame won the other halfback position for his all-around play. The 160-pound Panther fullback was big enough to pound the center yet fast enough to skirt the ends.

His runs, coupled with his accurate throwing arm, made him the workhorse of the Burlingame offense. He was also the Panther kickoff man and did yeoman work as a line-backer. Hamilton scored 43 points for his club during the season.

In addition to Lungbi, members of the second team backfield are San Mateo's Bill Kahler, a good runner and passer who earned first string All-P.A.L. honors last year at end; Manuel Rocha, capable San Jose halfback whose running and pass receiving gave him a tie with Bettencourt for scoring honors; and Floyd Bumbaca, barrel-chested Sequoia fullback who dented the opposing line for 8 yards a try.

Tanfo Handicap Climaxes Racing

Main Tanforan activities this week focus on Saturday's Tanforan Handicap, mile and one quarter climax of the meeting for a purse of \$25,000 added.

Twenty-two well known handicap stars, headed by John A. Kinard's Eastern stakes winner, Johns Joy, have been nominated for Saturday's traditional event, won last year by the illustrious Calumet Farm champion, Citation. It is expected that a full field of at least a dozen performers will battle for the rich prize money.

Among John Joy's potential rivals in the 25 grander will be Frank Frankel's good colt, Frankly, the foreign-bred Charles S. Howard pair of Noor and Fast and Fair, Mrs. John P.

Adams' Argentine-born Michel, Elcas Enterprises' upset winner of Thursday's Marchbank Handicap, Oracion, Biff's Stable's Precession and Mrs. H. Nesbit's Golden Glory.

Others eligible for the Tanforan Handicap include Top's Boy, Colossal, Bold Gallant, Great Dream, Blue Tiger, Happy Birthday, Mocopo, Rhodes Bull, Jovianne, Tick Along, Danada Gift, Charlie Baad, Flying Rhythm and High Conquest.

Vikings Start Basketball Season

Headed by a collection of 11 returning lettermen, 38 Palo Alto High School varsity basketball players greeted Coach George Hurley as workouts began this week.

Coach Ralph Mason found only two men returning from last year's 130-exponent squad, but had a total of 58 players to sift for the starting five.

Topping the varsity are four men who saw a lot of action last year: Guard Merle Flattley, Guard Jim Cornish, Center Bob Armstrong and Forward Art Fish. Others who played last year include Steve Bennett, Johnny Bettencourt, Rob Brogan, Mike Callahan, Chet Kiel, Alan Thomson and Pete Vanderpool. Two hot transfer prospects are Larry Ramm and Bob McDowell.

Mosquito Dists. to Hire Expert

Two San Mateo County mosquito abatement districts, the Three Cities and the Pulgas, will jointly employ an entomologist to oversee the work of both districts, it was announced this week.

Directors of the two districts met last night and decided on the new step after reviewing recommendations by a state survey group.

The survey group also recommended an expanded program of mosquito control measures and it may be put into effect later after an entomologist is chosen, according to William Reese, Burlingame member of the Three Cities Dist.

The survey was made after complaints from various parts of the district last Summer that mosquito abatement was not wholly effective.

The Three Cities Dist. covers San Mateo, Burlingame, Hillsborough and Millbrae, the Pulgas Dist. a section of South San Mateo and other cities south of the county line.

South San Mateo residents had asked last February to be transferred to the Three Cities Dist., but the change was not possible legally. The announcement of joint action indicated uniform control measures by both districts would be coordinated in the future.

100F Election Set for Saturday

Hope Encampment 60, the Independent Order of Odd Fellows will hold its annual election of officers Saturday evening, 8 o'clock, at the Redwood City Odd Fellows Temple.

Joseph Fitzgerald, district deputy grand patriarch, and his degree team will attend and review the incoming officers. Peninsula encampments and out-of-state patriarchs are invited. Members are requested to wear their fezz.

Plans will be made to receive the grand patriarch of the Grand Encampment, Bert La Fontaine, when he makes his first official visit to Redwood City, Jan. 20.

Patriarch Ulysses Shaw, who recently visited Europe as a member of the Agriculture Good Will Tour, will speak on social and economic conditions in Europe. The Christmas party at the Saratoga Odd Fellows Home will be discussed.

Redwood City candidates received their Royal Purple degree in San Jose last weekend. Charles Raush, from Harmony Encampment in Lodi, recently was admitted as an associate member.

NEW WAY TO MEET—Members of the Redwood City Rotary Club recently deviated from the unexciting method of holding its weekly luncheon session at a restaurant by meeting in a Pan American Airways airliner while flying over Northern California and Nevada. The trip, arranged by Program Chmn. John Babcock and Harvey Hancock, agent for the air lines, is believed the first held by a Redwood City group in this manner. The two and one-half hour trip covered Lake Tahoe, Donner Lake, and Reno, with a circle of the Redwood City area on the trip back.

Mrs. G. J. Sirex Addresses John Gill PTA Meeting

Parents must be with their children in order to be informed of what they are doing, Mrs. G. J. Sirex, first vice president of the 17th Dist., California Congress of Parents and Teachers, told members of the John Gill Parent Teacher Assn. at the regular meeting recently.

Mrs. Sirex discussed comic books, movies, radio and television as they pertain to children. She said that reading comics has no effect on the child's IQ, but that parents should steer the child's reading to the best comics.

Speaking on radio Mrs. Sirex said that it permits the child to "live dangerously" at home through his favorite radio characters and probably was far better than having him "live dangerously" otherwise. She urged parents to write to radio stations commending the better programs. She also said that movies and television programs should be chosen carefully according to the child's personality.

Mrs. Charles Byram, president, asked for clothing for Hillcrest. Any wear from infants to 'teen-age clothing would be welcome, she said. Members of the executive board may be contacted for further details. Mrs. Byram also requested donations of candy or sugar to make candy by Dec. 16. The candy will be given to the Veterans Hospital.

Mrs. Garnet Smith, membership chairman for the district, and John Gill PTA's ways and means chairman, gave a detailed report on the recent carnival and thanked parents who helped with the affair. Mrs. Mary Harrow's sixth grade class was awarded a prize for the largest ticket sales.

Reports also were given by Mrs. Laurence Scott, treasurer, and Mrs. L. A. Denny, membership chairman. Mrs. Grace Patten's fifth grade was awarded a prize for the largest membership and Mrs. Clara Hansen's third grade won the aquarium for the largest attendance.

Reports also were given by Mrs. Laurence Scott, treasurer, and Mrs. L. A. Denny, membership chairman. Mrs. Grace Patten's fifth grade was awarded a prize for the largest membership and Mrs. Clara Hansen's third grade won the aquarium for the largest attendance.

Messrs. Allen and Savage reported that the three-day bazaar will start at 7 p.m. on Friday and Saturday nights and run from 11 a.m. until 7 p.m. on Sunday. Refreshments will be served on Friday and Saturday with a full course dinner, prepared under the supervision of the Sisters of Notre Dame, being served on Sunday. Special entertainment for the children has been arranged for Sunday afternoon including a puppet show and a Walt Disney movie.

Fourteen booths, including a huge country store, will be featured at the annual affair, according to Mr. Savage.

Following the meeting members viewed pictures of the '49ers-Cleveland football game. Refreshments were served after the movies.

'Teen-Agers Still Must Register

'Teen-aged boys of the Redwood City area were reminded today that they still must register for selective service.

R. F. Heyfron, district auditor for the selective service system, stated that while the draft may have been forgotten by many eligible youths, the state still remembers.

Penalties have been set up, he said, which will be enforced for violators of the registration order. All youths must register within five days of their 18th birthday anniversary, he said.

For convenience of residents of the Redwood City area, several community registration centers have been set up, according to Heyfron.

Those serving as aides are City Clerk Ralph Dodge and Inez Cochran at the Redwood City city hall, Mrs. Catherine Heartner, Belmont city clerk, Miss Kathleen M. Grant, city clerk of San Carlos, and Frank S. Becker, Menlo Park real estate man, whose office is at 1235 Laurel St.

MP Council Aims Rent Decontrols

After speakers had cast doubt during a three-hour hearing on all surveys of rental housing made in Menlo Park, the Menlo Park city council this week took the issue of rent decontrol under advisement.

More than 25 persons voiced their views on the subject and presented statistical data, and about 100 persons listened to the hearing.

Principal speakers presented the conflicting views that housing in Menlo Park no longer needs rent control and that it still critically needs controls.

Opponents of decontrol not only asked denial of a decontrol petition, but also asked the council to request Gov. Earl Warren to reject the City of Palo Alto's petition for decontrol.

Under 1949 rental housing laws the city council "should not decontrol unless it finds there no longer exists such a shortage of rental housing as to require control."

If the council finds there is no longer a shortage, it may recommend local decontrol to the governor.

Mayor Charles Burgess said interested persons will be allowed 10 days to submit written arguments or data to the council.

David Ingram Jr., chairman of the Menlo Park fair rent committee, told the council that a survey made Aug. 1 by his committee showed that no shortage of housing exists. He declared results of this survey were borne out by one made by the regional office of the housing expediter.

Chope Speaks To Exchange Club

Dr. Harold D. Chope, county director of health and welfare, addressed the Redwood City Exchange Club this week. The director spoke of his experiences in Brazil, where he lived for three years in the service of the Rockefeller Foundation.

The club observed "ladies night." The annual election of officers is scheduled for next Tuesday.

SP Fare Boost Would Cost RC \$69,630 a Year, Claim

The rate increase proposed by Southern Pacific Co. would take an additional \$69,630 annually out of Redwood City, Fred H. Chesnut of San Mateo, commuters' consulting engineer, declared at a meeting of the advisory committee of the Peninsula Protective Assn. Wednesday night.

Woodruff SC Chamber President

Harvey C. Woodruff, owner of the San Carlos Benjamin Franklin Store, is the new president of the San Carlos Chamber of Commerce.

Other officers elected at a meeting of the new board of directors this week are Carl J. W. Woodruff, a store operator, succeeds Clayton Roberts. Woodruff will be installed early in January.

Hagenah, owner of the San Carlos Men's and Boys' Shop, first vice president; Ben Tanklage, owner of the Liberty Mill Lumber Co., second vice president; and Milton Lauterwasser, manager of the San Carlos Bank of America, treasurer.

Mrs. Marie S. Welsh was re-elected executive secretary. Installation will take place around Jan. 1, according to Mrs. Welsh. The present board of directors will meet once more in December to plan arrangements.

Outgoing officers are Clayton Roberts, president; George Koth, first vice president; Harold H. Dunn, second vice president; and Roland Kasso, treasurer.

Woodruff, 31, has lived in San Carlos and operated the Benjamin Franklin Store two years. He is publicity director of the San Carlos Community Chest, a director of the chamber of commerce and a member of the Community Church and Kiwanis Club.

A native of Duluth, Minn., Woodruff was graduated from the University of Minnesota School of Administration with a major in advertising. Mr. and Mrs. Woodruff and their three children, Barry, Kathy and Billy live at 2000 Eucalyptus Ave.

MP Water Service Check Given

The city of Menlo Park has submitted three studies of the California Water Service Company's Bear Gulch System operation to the California Public Utilities Commission.

City Mgr. Cecil Longson said they are intended to prove that the company is now receiving a fair return of about 5 1/2 per cent on its investments. The water service is seeking rate increases.

The report was submitted under Examiner R. P. O'Brien's ruling when the hearing in Menlo Park closed Nov. 1 that parties to the case would be allowed to submit written arguments until Dec. 1.

Menlo Park's report is in three sections, one by Mayor Charles Burgess on financial aspects, another by James Armstrong evaluating the system, and a third by Longson on the present and proposed rate structures.

The PUC took the matter under submission Nov. 1. Parties to the case now have 10 more days to reply to new written arguments.

would be taken out of San Carlos, Chesnut said. San Mateo led the list with \$82,400. Burlingame was second with \$82,250 and Palo Alto third with \$74,900.

The committee met at the San Mateo city hall to consider further financing to meet costs for a "last-ditch fight." The committee estimated that some \$8000 will be needed to pay experts and costs of gathering and presenting evidence to defeat the increase. The Peninsula Protective Assn. was organized to fight the Southern Pacific's proposed rate increase.

"Here is a definite threat to our economic life, our growth and our development, and all of us should do our part," Mayor Leo Ferko of South San Francisco declared.

Mayor James T. Kilpatrick of Millbrae estimated commuters spend \$30,000,000 annually on the Peninsula and declared they were entitled to full community support, and protection from being "pushed around by the Southern Pacific, or anyone else."

Committee members stated there is something "highly mysterious" about the railroad's claim it is losing nearly a million dollars annually, in view of the railroad statement last year that losses were only some \$70,000. They charged the railroad has not made any improvements in Peninsula service in years, and in fact has removed some trains and curtailed service.

Chesnut declared "it's amazing that Public Utilities Commission experts can make such exhaustive independent surveys of some utilities, and then claim they haven't the facilities in this case. They found plenty of experts recently to make a searching study of California trucking operations. Why aren't these experts available now to give the Southern Pacific setup a going-over?"

Marvin Handler of Hillsborough, attorney for the commuters, said the only increase the PUC experts reported on why SP losses jumped from some \$70,000 to nearly a million in a year was in labor costs.

"Then," asked City Atty. Rudolph A. Rapsey of San Bruno, "we are asked to believe that labor is responsible for a million-dollar increase in Southern Pacific losses in one year, and that labor is responsible for this \$540,000 annual increase being asked in commuter fares?"

Handler replied there was no other showing made. "I wonder," Rapsey said, "what labor will say about this."

Paul A. McCarthy, city attorney of Belmont, said that when the railroad asked for and got an increase last year the claim was that fuel oil prices had soared.

"We all know," McCarthy said, "those prices have taken a decided drop. I wonder what the next angle will be?"

Handler's report that the railroad had indicated at the commission hearings "it hoped it would not have to discontinue commuter service" brought charges of "threat."

"It would not be surprising," Handler said, "to find that this method may be the means for gradually drying up the Southern Pacific's Peninsula commuter service."

Chmn. Howard Magee of Redwood City declared it seems apparent "the Southern Pacific is threatening Peninsula commuters with pay up or else."

Others attending the meeting were Supervisor Thomas L. Hickey, Councilman Floyd D. Granger of Redwood City; City Atty. James T. O'Keefe, Menlo Park; Mayor Dan Love, City Atty. Ike Karmel and City Clerk Herbert K. White, Burlingame, and Jack South of San Mateo, publicity adviser.

A steering committee of three was named to assist the association officers and experts in their fight against the SP rate increase. Named were Mayor William M. Werder of Redwood City, Mayor Dan J. Creedon of San Mateo and Mayor Love of Burlingame.

'Dognappings' Are Reported

A series of "dognappings" took place over the weekend, Poundmaster Chester Potter reported today. Potter said three dogs were reported missing over the weekend in the Friendly Acres area.

He could not account for the missing dogs other than to say the situation was "unusual." Females stray and are picked up and held in homes but these cases seem to be unusual, he said.

VFW Auxiliary Hears Reports At Meeting Here

Reports were heard at the recent meeting of Cpl. James L. Wilson Auxiliary 2310, Veterans of Foreign Wars. Eva Kirk, president, presided over the meeting.

Doris Marzlin, senior vice president, reported that three local members attended the dinner given in honor of Evelyn Monaco, national auxiliary president, in Oakland recently. She

said that Mrs. Monaco spoke on the auxiliary's drive for cancer funds. Lillian Marzlin reported on the hospital party given recently at the Palo Alto Veterans Hospital.

She announced that the Christmas party would be given Friday. The auxiliary will decorate a Christmas tree and each patient will be given a Christmas box. It was reported that the sewing club met recently at the home of Eva Kirk with Helen

West as cohostess. Attending were Hilda Eberhardt, Elva Kelton, Mamie Mayer, Lillian Sanders, Lillian Marzlin, Alice Foulks, Grace Fischer, Annie Meetz, Emily Tensendorf, Rose

Marzlin, Erma Crebassa, Rayetta Bourland and Sally Collins. The sewing club will have its Christmas party on Dec. 14 at the Veterans Bldg. Eva Kirk and Helen West will serve on the refreshment committee.

Adultery Plea
Slated Friday
 Larry Moran, 42, street fore-
 man for Redwood City, is to en-
 ter pleas today to three counts
 of adultery filed against him by
 his wife, Jeannie, 26, Dep. Dist.
 Atty. Leo Englert said.
 The pleas are to be entered be-
 fore Justice of the Peace Edward
 I. McAuliffe.
 Moran was arrested after his
 wife signed complaints accusing
 him of adultery with a domestic
 employee by the Morans at their
 home, Bayshore Hwy. and Har-
 bor Blvd., Redwood City.
 Englert said that the offenses
 were committed on Nov. 10, 12
 and 14. Mrs. Moran, according
 to Englert, surprised her hus-
 band in bed with the employee on
 the last occasion.
 Moran was released from jail
 on bail pending disposition of his
 case. The girl involved formerly
 lived in Florida and had been
 with the Morans for three
 months. She has left Redwood
 City, Englert declared.
 Adultery by California law is
 a misdemeanor carrying a max-
 imum penalty of one year in the
 county jail and \$1000 fine.

Alleged Bigamist
Must Stand Trial
 Joseph Poche, 22, accused by
 his bride of three months with
 being a bigamist, must stand
 trial on the charge in superior
 court.
 Poche was given a preliminary
 hearing before Judge S. K. Rob-
 bins in South San Francisco City
 Court this week and held to an-
 swer to the higher court. His
 bride, the former Dorothy Ged-
 decke of 1151 Seventh Ave., Red-
 wood City, faced him in court
 yesterday.
 The prisoner is charged with
 having consummated the mar-
 riage last August without first
 divorcing a wife in Louisiana.
 Poche was unable to post \$1500
 bail and was remanded to the
 county jail.

Cabbie Reports
Robbery Attempt
 A San Francisco taxicab driver
 reported to the sheriff's office
 that he was robbed by a well-
 dressed man whom he had picked
 up in San Francisco, and then
 was dumped in San Mateo
 County.
 The cabbie, Joseph Moran, said
 that his fare took \$18, the cab
 and Moran's hat.
 Moran was left at the side of
 Sneath Ln. near San Bruno by
 the robber. The actual robbery,
 according to the sheriff's office,
 occurred near the Fleishacker
 Zoo in San Francisco.
 Moran said that after the man
 engaged the taxicab he pulled a
 gun, took Moran's money, then
 directed him to drive down Sky-
 line Blvd. San Francisco police
 later arrested Richard Manuel,

 of robbery and gun law violation.

Salesman Held
In Check Charge
 Charles A. Hobart, 40-year-
 old salesman of 415 Villa Ter-
 race, San Mateo, has been
 bound over to superior court on
 a charge of passing a bad check
 when he appeared for prelimi-
 nary hearing before Police Court
 Judge W. H. Thorpe.
 Hobart is accused of passing
 a bad check for \$35.05 at a Pen-
 insular liquor store.
 He had been picked up on a
 drunk charge by San Carlos po-
 lice and Redwood City officers
 had placed a "hold" on him.
 Capt. S. V. Douglass of the
 Redwood City Police Dept. said
 Hobart had allegedly admitted
 passing more than \$300 in bad
 checks in the Peninsula area.
 He is being held in the county
 jail in lieu of \$250 cash bail or
 \$500 bond.

CHRISTMAS TOUR OF HOMES — Grouped around the 100-year-old rosewood melodion at the John E. Davis home in Hillsborough are, left to right, Mrs. John D. Treher of Redwood City, seated Mrs. H. Charles Bartlett of Burlingame, and Mrs. Lionel Clumuck of San Mateo, daughter of the Arthur Allen Franks of Atherton and San Francisco. The Davis home is one of five which will be toured on Dec. 8 and 9 from 1 to 4:30 p.m. during the Christmas Tour of Homes, an annual event sponsored by the Garden Study Club of the Peninsula.

Few Tickets Still Available for Garden Study Club's Christmas Tour of Homes

A few tickets are still available from Mrs. David W. Reid, 955 Jackling Dr., Hillsborough, for the Garden Study Club of the Peninsula's Christmas Tour of Homes Dec. 8 and 9 from 1 to 4 p.m. Tickets may also be obtained from School's Feed Store in San Carlos.

A route map is inscribed on each ticket and homes may be visited in any order. Arrows will mark turnoffs on El Camino Real and the roads to be followed and police officers will assist with parking at the various homes.

All the homes to be visited will be decorated for the holidays and a different type party is planned for each house. The Frederick Frey Jr. home will feature a Chinese motif in its table setting. The home of Mrs. Douglas Dorn will form the background for a formal dinner party, and the cabana will be arranged with gadgets to amuse youngsters at a Christmas party.

81st Congress Discouraging Session, Anderson Says

Jack Z. Anderson, Eighth Congressional Dist. representative, would not comment Wednesday on the possibilities of San Mateo's receiving federal housing aid if such aid is requested.

Representative Anderson was asked his opinion on the matter following his address before the Pro America group yesterday afternoon in the San Mateo City Hall.

Anderson said, "I have no comment," Anderson said. "You know I voted against the federal housing bill. What chances San Mateo would have of getting housing aid can't be foreseen by me. Don't forget that San Jose also is seeking federal assistance."

Some \$19,000,000,000 will be spent on federal housing in the next three years, Anderson reported. But he cannot predict that any will be apportioned to this congressional district.

Anderson described the recently adjourned 81st Congress as the most "discouraging and foot dragging session in my memory."

Members of the Pro America organization were told that California probably will be apportioned an additional seven to nine congressmen after the 1950 census.

This district also will be split, according to Anderson. At present the district has 600,000 citizens, he reported, and 280,000 voters. "I'll be sorry to see the state redistricted because the people here have been awfully good to me," Anderson told his audience.

In reviewing the recent stretched out session of Congress, Anderson pointed out that President Truman's full program did not carry despite a working majority of Democrats in both houses.

The present administration is an arrogant one, Anderson asserted. "All we hear is a constant demand for new taxes. One of these days we will reach the point of diminishing returns. Then we'll be bankrupt."

Talent Displays on Priority Basis

The steering committee of the Sequoia Dist. Youth Creative Talent Exhibit met last night at Sequoia High School. A meeting of the publicity committee also was held.

Chmn. Luke Argilla today urged that entry blanks be mailed as soon as possible, since display space will be apportioned on a first come, first served basis. The blanks and contest rules are available at local schools and the Tribune office.

"The ultimate success of this project depends on the interest and active participation of youth-minded citizens in the area. We look to them for the support that will make this a highlight in the lives of 'teen-aged youth,'" Argilla said.

The exhibit aims to give public recognition to the constructive achievements of young people, and to inspire others in the pursuit of creative activities in arts, crafts, natural history and science, Argilla explained.

"The show will be a fine thing for adults, since it will enable them to see and appreciate the constructive ability of modern youth," he added.

Trophies, ribbons and certificates of merit will be awarded to winners. Money to meet operating expenses is being donated by local citizens, fraternal
